President's Message

Our family dogs weren't the only ones really excited to see green grass peaking out from the melting snow this past week! The weather twice postponed the PTSA fundraiser Princeton Review SAT/ACT practice test until February 20th and we still had over 100 students attend.

Thank you to Mary Coleman, Salma Ashmawi, Bonnie Huneke, and Marjorie Willard for their assistance that morning as well as changing their schedules to accommodate the 2 additional snow dates! For students and parents who took the practice test: **the SAT/ACT follow up session to get your scores and an explanation of how to interpret them will be on Wednesday, March 3, 7:00pm** in the WHS Cafeteria. We hope to offer the same opportunity for practice tests next year as well.

Thank you to individuals who responded to our request for gift cards to help some WHS families who are facing hard economic times. They will be managed through Meg Lawless Crosett, who is chair of our Kid to School Committee.

Thanks as well to Damita Snow and Mark Richardson, neither of whom have seniors at Westfield, for generously giving their time to chair the **senior after-prom celebration at the Cub Run Rec Center immediately following the Senior Prom** on June 4th. Lots of assistance is needed. Check out the details at <http://ptsa.westfieldhhs.org/committees/after-prom-celebration.html>.

There have been many recent developments regarding **education funding and FCPS Schools, about which I received information from the Fairfax County Council PTA Budget Chair, David Edelman**. Within the Commonwealth of Virginia, the Governor's Office has recommended that the LCI be readjusted to its 2007 level, which would increase FCPS share of the State's Education Funding. However, the Governor has also proposed cutting \$731-750 million in Education Funding (SOQ) – an approximate 30% reduction in K-12 education funding. The state plans to count the Federal Stimulus dollars to Fairfax County as part of the FCPS state allotment, but these funds were already accounted for in the FCPS advertised budget. The State Senate proposes funding Education in FY 2011 at the level of \$4736/pupil and the House of Delegates proposes \$4458/pupil. The highest per pupil rate was in FY2008 at \$5,007/pupil. It becomes increasingly important to find ways for our lawmakers to keep more of the money raised by Northern VA in Northern VA. <http://legis.state.va.us/>

In Fairfax County, due to deficits in FCPS and across the County government, cuts to the budget will need to occur or real estate taxes will be raised, or a combination of both will be needed. The Fairfax County Board of Supervisors will have to decide whether to raise the real estate tax. The current rate is \$1.04 per \$100 of assessed value. The transfer from the County to FCPS represents about 75% of all FCPS funding, most of which comes from property taxes. **There will be three budget scenarios**, including transfer to FCPS, that will be presented to the Board of Supervisors: **1) No tax increase; 2) Equalization of the tax rate to compensate for lower assessment values and the keep total tax revenue constant; and 3) a larger increase of the tax rate to make up for lost revenue due to declining property values**. The Board of Supervisors will be meeting on March 9, 2010 to vote to set the maximum property tax rate. It is imperative that you give your feedback to the board go to http://www.fairfaxcounty.gov/survey/fy11_budget_comment.htm or **sign up for the public hearings April 6-8**.

FFCPS approved the 2.3 Billion FY2011 advertised budget, which was released on February 4, 2010. The School Board put back a number of cuts into the budget, but need an additional \$81 million in revenue to fully fund it and it is unclear whether any of the funding will come from the state. In addition, it would require an increase in the transfer from the Fairfax County Board of Supervisors, which could only be raised by the County by raising the property tax rate. <http://www.fcps.edu/news/fy2011.htm>.

The PTSA is helping to organize a senior class "100 Days Until Graduation" meeting on Wednesday, March 10, 7pm in the cafeteria. This will be an opportunity for seniors and their parents to pay fees, learn details about graduation and **learn about Prom, After Prom party and the All Night Grad Party**. Plans are percolating for the All Night Grad party. Links are turned on to order tickets or mulch for their largest fund raiser on April 10th. **LOTS of VOLUNTEERS ARE NEEDED-** [visit the ANGP volunteer web site](#) to sign up help and to order mulch. Order early, as we've set a sales limit this year!

We are still looking people to serve a brief commitment on the **PTSA Nominations Committee** along with Salma Ashmawi, to fill the following positions: Treasurer, 2nd Vice President (Academics & Honor Roll), ANGP, Mulch, After Prom, Bulldog BBQ, BBQ Silent Auction, Legislative, Newsletter, Budget, Parent Programs, Webmaster and possibly some others. We'll be extending the invitation to rising 9th grade parents, so if something interests you, please speak up now! Contact Salma at ptsa2ndvp@westfieldhhs.org if you'd like to be on the nomination committee or step up for a committee slot. We are also looking for a parent who understands non-profit taxes who can help us out next fall with our taxes or in February if an extension is filed. Knowledge of Quicken, is helpful, I am told!

If you missed our **PTSA, Coalition, and PROTECT program** this past October, your in luck. Theatre Boosters

Westfield Theatre will present the classic Stephen Sondheim-Arthur Laurents-Leonard Bernstein musical West Side Story

Due to inclement weather, the February 11-14 performances of Westfield Theatre's West Side Story have been rescheduled to March 5-7. [View New Show Schedule](#) All tickets for postponed shows will be honored at rescheduled shows for the reserved seats that were originally purchased. No action is required of patrons holding tickets for Feb. 12, 13 and 14. Tickets are on sale online at www.westfieldtheatreboosters.com.

West Side Story will feature an orchestra led by Westfield High School Choral Director Jessica Lardin, who is also the vocal director. Students Melanie Aponte, Alex Cain, Kerowyn Brewer, DeAnna Hughes and Lani Fu lead the production team. Chris Hobbs is heading up costume design and production. West Side Story is a modern adaptation of William Shakespeare's tragedy Romeo & Juliet. Manhattan serves as the backdrop of the story with Tony and Maria as Romeo and Juliet. These star-crossed lovers are caught amidst racial tensions and violence as they struggle to stay together despite insurmountable odds. The themes of bigotry, diversity, and cultural assimilation are as relevant today as they were when the show debuted on Broadway in the late 1950's. West Side Story has music by Leonard Bernstein, lyrics by Stephen Sondheim and a book by Arthur Laurents. The Bernstein and Sondheim score features such classics of the American musical theatre as "Something's Coming," "Tonight," "America," "I Feel Pretty" and "Somewhere."
